Residential Camps

We run camps every year for P6/7 and S1 to S6.

These are held at different venues across Scotland in partnership with Scripture Union Scotland, with outdoor activities, trips and bible teaching.

Trips

We run trips throughout the year, during each term with P6-7 and S1-S6. These include swimming, beach trips and adventure parks.

Courses - run periodically throughout the year

Romance Academy

- is a course all about developing healthy romantic and sexual relationships. It helps young people to navigate the complexities of relationships and to feel safe and secure.

Youth Alpha

- is a course where young people can learn all about the Christian faith and ask the big questions of life. It explores the Christian faith in a safe and non-imposing environment.
