WILL YOU HELP?

PRAY

We know it's God's heart to see young people making good choices, leaving old ways behind, and also being part of a local church. We want to see God's kingdom thriving in North Edinburgh. Will you join us in praying?

GIVE

There's much, much more we could do with additional income. Would you prayerfully consider supporting the work of Ferrywell Youth Project financially, either with a one-off gift, or on a regular basis?

VOLUNTEER

We are so grateful for our passionate, dedicated volunteers. They have loads of fun with the young people they support while developing genuine, meaningful relationships which help young people fulfil their potential. Would you consider joining the team?

FYP

Ferrywell Youth Project

Ferrywell Youth Project

WHAT IS FYP?

Ferrywell Youth Project grew out of years of SU Scotland work in the Pilton, Muirhouse and Drylaw areas of North Edinburgh. The work included (and still does!) SU groups in primary schools, a weekly youth club called DIME (**D**iscipleship **i**n **M**uirhouse **E**state) and summer camps.

Ferrywell was launched in July 2014 to continue and expand this work as a separate charity, but still retains strong links with SU Scotland.

OUR VISION

We want to see young people valued and supported, through a project rooted in Christian faith and values, living lives characterised by positive, healthy and responsible choices.

We want to see these young people having a significant impact on the community, including active engagement with local churches, local schools and other agencies.

WHAT WE DO

- **weekly meetings of DIME (S1-S6)**
- **weekly crafts & games groups and SU Groups in two primary schools (ages 10-12)**
- **an informal lunchtime drop-in in the secondary school**
- **counselling, mentoring and 1:1 support in schools**
- **in-depth support work with young people and families facing difficulties**
- **residential events, including an annual weekend away**
- **leadership development**
- **targeted group work**

But it's much more than this list!

Research shows that the outcomes for young people can be so much better if they have at least one key caring adult as a support, a sounding board, listening ear, encourager and role model. That's where we come in.

"IT'S A PLACE YOU FEEL SAFE NO MATTER WHAT'S GOING ON AT HOME OR IN SCHOOL."
